## Transfer Policy

Nonresident students who have been accepted as a district transfer student may have such transfer status revoked by the Superintendent at any time during the year if the student is assigned discipline consequences of suspension (in or out of school), placement in a disciplinary alternative program, or expulsion. In addition, students not meeting the State's 90% attendance standard may also be subject to immediate revocation of the transfer status.

Transfers will be reviewed throughout the school year by the administration. Transfers will be reviewed on absences, participation in extracurricular activities, performance on state assessment instruments and overall contribution to the positive education environment of the school district at the discretion of the administration.

I have read and understand the transfer policy of Zephyr ISD.
