**The Legacy Scholarship Program-**

The American Legion Legacy Scholarship is a needs-based scholarship designed to fulfill a financial gap remaining after all federal and state educational grants/scholarships available to an eligible applicant have been utilized. 2026-27 tuition is capped around \$20,000 subject to change based on the fiscal budget for when it gets approved.

To whom does this apply: Children, adopted child or stepchild of U.S. military members who died while on active duty on or after Sept. 11, 2001. Children, adopted child or stepchild of post-9/11 veterans having been assigned a combined disability rating of 50 percent or greater by the Department of Veterans Affairs also qualify.

Each needs-based scholarship provides up to \$20,000 for children of the fallen, and up to \$5,000 for children of the disabled for undergraduate or post-graduate college. Recipients may reapply for additional annual awards up to six times. The application deadline date is TBD but will be sometime in March 2026. Scholarship awards must be used before August 1, 2027. After administrative review and approval, scholarship recipients will be notified of their scholarship award between May 9 and May 19, 2026, via the email used on the application.
